FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Please note:

- 1) If you're interested in any items, Please tell us which Style and Grit you want .Thanks a lot!
- 2) You can give us a message, or e-mail if we're not on-line. We will replay to you in the shortest possible time.
- 3) Since computer screens have chromatic aberration,especially between CRT screen and LCD screen.
- 4) We can not guarantee that the color of our products will be exactly the same with the photographs you saw.
