

Boreway Factory Profession Supply Sandblasting Bush Hammer Roller for Grinding Stone Marble Granite

Feature:

Factory Profession Supply Sandblasting Bush Hammer Roller

1. Easily Replaceable Cutters.

2. Create non-slip surfaces on concrete and pavers.
3. Make removal of coatings from concrete and asphalt easy.
4. Texture or profile surfaces to speed up initial cut on exposed concrete polished floors.
5. Remove traffic lines from bitumen and concrete and other surfaces with ease and speed without excessive damage to the surface.

Introduction:

Factory Profession Supply Sandblasting Bush Hammer Roller is used sophisticated welding technology and selecting high quality aluminum alloy to casting, bush hammered's grit can be changed through the adjustment of spring elasticity on bush hammer, manual grinding machine press. Both enlarging spring's interval to reduce spring elasticity and reducing machine's press can enhance bush hammer vibration to make bush hammered face rough. Widely used on granite, marble sandstone to make rough surface.

Wet use strongly recommended and the more water the better

Do not apply too much pressure on bush hammer. This will prevent roller from stopping and thus decrease the life span of the tungsten steel

After each use, please clean up rollers, dry and apply oil to the spindles. It will be ideal to submerge the rollers in oil to prevent spindle rust

Specifications:

The followings are the normal specifications of our **Factory Profession Supply Sandblasting Bush Hammer Roller**:

Type	Usage	Material	Application	Machine
Abrasive Roller	Bush Hammer For Polishing	Diamond+Steel Base	Granite, Marble Sandstone Concrete,etc.	Angle Grinder and Automatic Grinding Machine

The above specifications are for reference, other specifications can be ordered by customers.

Product Details:

Factory Profession Supply Sandblasting Bush Hammer Roller adopted the sophisticated welding technology and selecting high quality aluminum alloy to casting,

boreway®

boreway®

boreway[®]

Multi Point
Bush Hammer Roller

Advantage:

Factory Profession Supply Sandblasting Bush Hammer Roller

1. Durable metal and diamond compound
2. Competitive price and superior quality
3. Effective for grinding natural stones and concrete to get bush hammer effect
4. Different granularities and sizes as requested for the diamond roller

Applications Machine:

Factory Profession Supply Sandblasting Bush Hammer Roller is angle grinder and automatic grinding machine

Manual Tools

Automatic grinding machine

Installation effect:

Other Products:

If you want more details of bush hammer, please contact us.

Packing & Delivery:

PS:

- 1.Tools packing in carton cases
- 2.By Air/Sea for batch goods, Airport/Port receiving
- 3.Less than 45kg, generally delivery by express(Door to Door)
- 4.When tools are in large quantities, they are packing in wooden cases

Our Service:

- 1.Low MOQ: It can meet your trial order need well.
- 2.OEM Accepted: We can produce according to your sample or drawings.

- 3.Good Service: We treat our clients as God with high professionalism and passion.
- 4.Good Quality: We have strict quality control system. Good reputation in the market.
- 5.Fast Delivery: We have big discount from forwarder.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Kindly Notice:

- 1.Please provide the material before purchase.
- 2.Before purchase, please provide the model of the machine.
- 3.Other specifications can be customized according to requirements.
