

## China Manufacturer Rotary Fickert Concrete Bush Hammer Tool Grinding Roller Head With 99 Segment

### Product Description

[China Manufacturer Rotary Fickert Concrete Bush Hammer](#) is a construction tool used for texturizing and renew concrete. Floor bush hammer plates can adapt to several kinds of grinder, from simple hand-held hammers to large electric machines, but the basic function of the regular bush hammer is always the same - 30pcs/45pcs/60pcs of conical or pyramidal carbide tips welded at the top of a large metal plate.

## ***Carbide Alloy Bush Hammer Roller***

1. 99S Bush Hammer Roller
2. Use for L140/L170 Fickert Block
3. Very easy grinding without swinging.

1. Fast grinding speed.
2. Use original tungsten tips, long tool life.
3. Best quality bearing in China, smooth running.
4. Specially used on granite, marble sandstone to make rough surface.

99S Segment

Fickert Rotary Hammer

## **Grinding Effect**

China Manufacturer Rotary Fickert Concrete Bush Hammer for grinding and calibrating the stone slabs like granite, marble, etc. When assembled with a bush hammer roller, It becomes a bush hammer plate and can be used for texturing the surface of stone slabs and creating different bush-hammered profiles at high efficiency.

### Specifications:

The followings are the normal specifications:

Diameter	Grains No.	Segment Dia.	Type	Material
L140MM,L170MM	99S	4.7MM	Fickert Abrasive	Carbide Alloy+Steel Base

The above specifications are for reference, other specifications can be ordered by customers. ([China Bush Hammer Roller Manufacturer](#))

### Advantages

1. Durable diamond compound.
2. Competitive price and superior quality.
3. The grit of bush-hammered face can be adjusted.
4. Highly-efficient: a 200mm hammer can yield 100m<sup>2</sup>, 5 times faster than manpower.
5. Strict dynamic balance inspection to make sure a smooth and comfortable grinding.
6. Flexible : We can sell the roller separately, and we have plenty of styles and specifications ranging from 125mm to 700mm.

### Bush Hammer

1. For floor preparation before laying new coatings.
2. Make safety anti-slip surfaces on natural stones.
3. Scarify any kind of surface and create antique surface.
4. Remove old glue and resin coatings, in particular thick resins.
5. Expose the aggregate in concrete floors to prepare for concrete polishing.

**We have a strict quality control system**

#### Other Product:

### Packing □ Delivery:

**PS:**

- 1.Tools packing in carton cases
- 2.By Air/Sea for batch goods, Airport/Port receiving
- 3.Less than 45kg, generally delivery by express(Door to Door)□
- 4.When tools are in large quantities, they are packing in wooden cases

Less than 45kg,generally delivery by express(Door to Door).

By Air / Sea for batch goods, Airport / Port receiving.

BY AIR

BY SEA

### Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours

### Our Service:

- 1.Low MOQ: It can meet your trial order need well.
- 2.OEM Accepted: We can produce according to your sample or drawings.
- 3.Good Service: We treat our clients as God with high professionalism and passion.
- 4.Good Quality: We have strict quality control system. Good reputation in the market.
- 5.Fast Delivery: We have big discount from forwarder.

### FAQ:

#### 1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

#### 2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

### 3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

#### Kindly Notice:

- 1.Please provide the material before purchase.
- 2.Before purchase, please provide the model of the machine.
- 3.Other specifications can be customized according to requirements.
