

Product Introduction:

Diamond Calibrate Wheel For Manufacturers Silent diamond calibrating wheel mounted on milling machine, line machine for grinding granite slab, marble slab, tile and other material surface, will be thick handle, the base of nylon, aluminum and other materials, to reduce noise pollution.

Feature:

1. **Diamond Silent Calibrating Wheel** using a nylon, aluminum and other materials, to reduce noise pollution
2. Silent diamond calibrating wheel has a thick high grinding efficiency, shape, size, accuracy and other characteristics,
3. This diamond calibrating wheel has good sharp, long life, high speed for grinding
4. We have a common set thick round diamond and diamond-thick muffler round two products

Product Specification:

This is general specification of our silent diamond calibrating wheel:

diameter	Grinding wheel width	Segment Size			Head gear	Bore
		long	wide	high		
300MM	30MM 40MM 50MM	34.6MM 46.2MM 57.7MM	9MM	6.5MM	36	50MM 60MM
350MM					40	
400MM					45	
500MM					60	
600MM					72

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
