About us:

Our service:

1. Low order quantity: It can meet the test order you need.
2. Fast delivery: We get great discounts from freight forwarders.
3. OEM Acceptable: We can produce according to your samples or drawings.
4. Good quality: We have a strict quality control system. Has a good reputation in the market.
5. Good service: We regard our customers as God with a high degree of professionalism and enthusiasm.

Description:

1. If we want to order your product, how do we know your quality?

Please test in a very small order and then you will know the quality. Now, so many people in the world use Chinese products because of their high quality and high quality competitive price. We are a professional diamond tool manufacturer. In any case, for more than 8 years, confirm the quality of our products, small test orders will be tested necessary.

Can you provide samples for free?

We do not provide free samples. Based on years of experience, we believe that people will get them. By paying for samples, we will cherish and appreciate the more they get. We would have been prepared to offer our potential customers a special discount for participating in the test. It is very important to provide feedback to us and we will be very grateful.

3. Does your company accept customization?

Of course, we accept it. Includes different colors, gravel, etc. We can also tag your own logo and the brand on the board. You want us to produce any new products for you, just send us your products. Drawing or sample, we produce the same. We will not sell such products to others. Only customers can get a license.

Please note:

1. Please provide items before purchase.
2. Please provide the model number before purchase.
3. Other specifications can be customized according to requirements.
