

Product Description

[China Electroplated Diamond Grinding Wheel Manufacturer](#) are used for processing shaped stone, their merits are extremely high efficiency of production, and high accuracy in shape and size. Different shapes and specifications are available upon clients' requests.

Feature:

1. Electroplated diamond grinding wheel, smooth profiling, stable performance.
2. Provide various shapes of stone molding processing.
3. High Production Efficiency, Accurate Shape And Size, Long Service Life.
4. Shaping Of Various Special-Shaped Stones With Extremely High Efficiency.

Product Specification:

The followings are the normal specifications of our electroplated diamond grinding wheel:

Diameter	Width/ Thickness	Arbor/Inner Hole	Grit No.
250MM	40MM	60MM	40# 60# 80#

More normal specification of electroplated diamond grinding wheel :

Diameter	Thickness	Inner Hole	Application	Shape Type
150MM	20/30/40	30	Granite Marble Ceramic Tile	Bullnose Single Dupont Single Bullnose Half Radius Single Ogee Bullnose Bevel Double Ogee Double Radius Top Chamfer Threshold Single Edge Other Types
200MM	20/30/40	30		
250MM	20/30/40	50		
300MM	20/30/40	50		
350MM	20/30/40	50		

The above specifications are for reference, other specifications can be ordered by customers.

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including differentcolor, grit etc. We also can mark your ownlogo and brand on the pad. Any new productsyou want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
