

Product Description

[Lavina Diamond Bush Hammer Roller for Suppliers](#)

Lavina diamond bush hammer roller, A new concrete texturing tool from Super abrasive, the bush hammer is ideal for exterior applications.

Lavina diamond bush hammer roller create a bush-hammered profile on concrete, ideal for use on exterior spaces and creating anti-slip surfaces.

They also work great for removal of thin coatings when prepping the floor for epoxy application.

Lavina floor grinders are widely used all around the world, and of course, we developed corresponding bush hammer head to fit them.

The inside of the roller is made up of bearing, sleeve, spring washer, etc., and filled with grease.

You can rotate the roller easily with your fingers. The reasonable structure ensures high performance and long lifespan

Feature:

1. Lavina plate holder.
2. Competitive Price And Superior Quality.
3. Reasonable structure of bush hammer roller.
4. Specially designed to be used on Lavina floor grinders (Lavina Diamond Bush Hammer Roller).
5. It's scrollable and highly efficient, for example, a roller of 200mm's diameter can fabricate more than 100M² stone products per day.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese

products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8

years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and

appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is

very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to

produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers

only if we get your permission.
