

Product Description

[China Resin Fickert Abrasive Manufacturer](#) are widely used for fine grinding and accuracy grinding for slabs of granite, marble, quartz and ceramic.

These fickerts are used on automatic continuous polishing machines with high efficiency and long lifespan.

Feature:

1. Resin fickert offers smooth polishing and glossy surface.
2. Its sharpness can reduce the pressure of grinding head, therefore reduce machine abrasion.
3. Its super sharpness can improve transmission speed of convey belt and improve the production efficiency.
4. It can bring glossy stone surface, without scratch or break slates while grinding.

Product Specification:

The followings are the normal specifications of our resin fickert:

Product Name	Model	Specifications	Normal Grit No.	Normal Grit No.
Resin Fickert	T140	140*56*15(20)	120# 180# 240# 320# 400#	Granite Marble Quartz Ceramic
	T170	170*56*15(20)	800# 1000# 1200# 1500# 3000#	

The above specifications are for reference, [Diamond Fickert Abrasives Manufacturer China](#) other specifications can be ordered by customers.

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
