20 Teeth Star Shape Alloy Bush Hammer

Roller With Support

20S Star Type Bush Hammer Roller is suitable for surface fabricating, making bush hammered effects for stone products or concrete.

Remove coating or texture concrete, effectively to make a non-slick profile suitable for both inside and outside environments. They are also used as a design element to create a profile just like Litchi surface.

And for stone the roughness of the bush hammered surface can be adjusted with our bush hammer through adjustment of spring elasticity on the bush hammer, or through the pressure of the manual grinding machine.
