

Boreway Factory Direct Price Fickert Long Life Surface Bush Hammer Roller Products Bits With 99S

Introduction:

99S Fickert Bush Hammer Roller For Stone and Concrete Grinding is used on automatic grinding machine to make Lichi surface on stones. Characterized by high grinding efficiency and superior lifespan. Bush Hammer tools are mainly designed for texturing and roughening of smooth travertine surfaces and is especially important for performing operations to create anti-slip surfaces on stone floors and steps, etc. It's scrollable and highly efficient, for example, a roller of 200mm diameter can fabricating more than 150 square meters stone surface per day.

Fickert Length:	L140MM
Size And Color:	Customzied
Type:	Abrasive Block
Material:	Carbide And Steel
Application:	Bush Hammer For Grinding
Machine:	Automatic Grinding Machine
Usage:	Bush Hammer Roller for Polishing

99S Fickert Bush Hammer Roller to make Lichi surface on stones. Characterized by high grinding efficiency and superior lifespan. Bush Hammer tools are mainly designed for texturing and roughening of smooth travertine surfaces and is especially important for performing operations to create anti-slip surfaces on stone floors and steps, etc. It's scrollable and highly efficient, for example, a roller of 200mm diameter can fabricating more than 150 square meters stone surface per day

Advantages:

99S Fickert Bush Hammer Roller

1. The grit of bush hammer face can be adjusted.
2. Works with high efficiency, 5-8 times faster than that of manual processing.
3. Mainly designed for texturing and roughening of smooth stone surfaces and is especially important for performing operations to create anti-slip surfaces on stone floors and steps, etc.

Specifications:

The followings are the normal specifications of our **99S Fickert Bush Hammer Roller**:

Diameter	Grains No.	Segment Dia.	Type	Material
L140MM,L170MM	99S	4.7MM	Abrasive Block	Carbide And Steel

The above specifications are for reference, other specifications can be ordered by customers.

Advantage

1. Durable metal and diamond compound.
4. Competitive price and superior quality.
3. Different granularities and sizes as requested for the diamond roller.
2. Effective for grinding natural stones and concrete to get bush hammer effect.

About Us:

Packing & Delivery:

PS:

- 1.Tools packing in carton cases
- 2.By Air/Sea for batch goods, Airport/Port receiving
- 3.Less than 45kg, generally delivery by express(Door to Door)
- 4.When tools are in large quantities, they are packing in wooden cases

Our Service:

- 1.Low MOQ: It can meet your trial order need well.
- 2.OEM Accepted: We can produce according to your sample or drawings.
- 3.Good Service: We treat our clients as God with high professionalism and passion.
- 4.Good Quality: We have strict quality control system. Good reputation in the market.
- 5.Fast Delivery: We have big discount from forwarder.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3. Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Kindly Notice:

1. Please provide the material before purchase.
2. Before purchase, please provide the model of the machine.
3. Other specifications can be customized according to requirements.
