

Introduction:

1. **Brazed Frankfurt Bush Hammer Rollers** are also used as a design element to create a profile just like Litchi surface. We devote ourselves to provide high quality product and helping you down comprehensive cost to get more benefit.
2. It plays the role of anti-skid and also can play the role of decoration.
3. The grit of bush hammer face can be adjusted and the size of adaptor decide to its machine, other specifications can be customized according to requirements.
4. It is used to surface fabricating, making bush hammered effects for stone products, remove coating or texture concrete, effectively to make a non-slick profile suitable for both inside and outside environments.
5. **Brazed Frankfurt Bush Hammer Roller** is suitable for floor grinding. And for stone the roughness of the bush hammered surface can be adjusted with our bush hammer through adjustment of spring elasticity on the bush hammer, or through the pressure of the manual grinding machine.

Features:

Brazed Frankfurt Bush Hammer Roller usually used in the following aspects:

1. To create anti-slip surfaces.
2. High quality ,working efficiency.
3. To expose the aggregate in concrete floors to prepare for concrete polishing.
4. Effective for grinding natural stones to get bush hammered effect, also called litchi surface.
5. To use as a scarifying machine with the advantage that it is aggressive but gentle enough not to “dig” uncontrollably into the floor surface.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Kindly Notice:

- 1.Please provide the material before purchase.
- 2.Before purchase, please provide the model of the machine.
- 3.Other specifications can be customized according to requirements.
