

Introduction

Dry hanging drill, combined with back bolt hit the (extension) hole machine used to make the vertebral column drills and special apparatus for forming eccentric drilling operation, and enables the bottom reaming, stone drilled in the back outside a small hole in a large inverted cone, Make sure the drilling depth and size.

The dry hanging drill Back bolt hole hole punch and extension work for a variety of stone, ceramic plates, glass, sheet metal, marble and other boards.

The back bolt mount inverted cone-shaped hole after the torque diffuser, so the diffuser ring to open and fill the bottom of the hole, forming a convex combination. Use back bolt through the connector is mounted on the stone skeleton. [Diamond PC drill bit wholesales](#)

About Us:

We have a strict quality control system□

Packing & Delivery:

- 1.Tools packing in carton cases
- 2.By Air/Sea for batch goods, Airport/Port receiving
- 3.Less than 45kg, generally delivery by express(Door to Door)
- 4.When tools are in large quantities, they are packing in wooden cases

- For sample or small orders, products could be sent by express, TNT, DHL, UPS, FedEx, EMS etc.
- For large orders, shipping by sea or air is recommended. By our long-term cooperate agent or your appointed forward.
- By sea, port of loading: Shanghai, Ningbo, Xiamen, Qingdao etc.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours

Our Service:

- 1.Low MOQ: It can meet your trial order need well.
- 2.OEM Accepted: We can produce according to your sample or drawings.
- 3.Good Service: We treat our clients as God with high professionalism and passion.
- 4.Good Quality: We have strict quality control system. Good reputation in the market.
- 5.Fast Delivery: We have big discount from forwarder.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including differentcolor, grit etc. We also can mark your ownlogo and brand on the pad. Any new productsyou want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.
